Welcome Message
From the President & Chairman

Dear Colleagues and Friends.

On behalf of Indonesian Hip & Knee Society (IHKS), I would like to invite you to join our 2nd Meeting in Jakarta, on January 13-15, 2012. Our meeting, organized by Dr. Andre Pontoh, is highlighted with a rigorous scientific program and the very best experience in orthopaedic education, research and technology, enhanced by the excitement of new concepts and discoveries in the Orthopaedic area. This meeting offers something for everyone, from the general Orthopaedic surgeon to the subspecialist.

The theme of our meeting is "Hip & Knee Updates ". It offers a variety of carefully selected IDI Accredited educational opportunities such as symposia, plenary sessions and workshops presented by world class experts on exciting and current topics. There will be plenty of exhibits showing the "latest" and "greatest" in orthopaedic products and services along with pharmaceuticals. We are glad to announce that like our previous meeting where Prof. Daniel Berry (President of AAOS) gave his Keynote Lecture, this time we have the honor of presenting world-renowned speakers such as Prof. Thomas S. Thornhill (Chairman of Orthopedics, Harvard Medical School), Prof. Freddie Fu (Past President of ISAKOS), Dr. Robert A. Stanton (President of AOSSM), Prof. Richard "Dickey" E. Jones (Designer of Rotating Platform Implants; Chairman of Orthopedics, University of Texas Southwestern Medical Center), Prof. Yan Wang (President of Chinese Orthopedic Association), Prof. Jean-Noël Argenson (Director of the Institute for Locomotion and Center for Arthritis Surgery at the Sainte-Marguerite Hospital ; Chairman of the Department of Orthopaedic Surgery at the Aix-Marseille University), Prof. Rob. G.H.H. Nelissen (President of ERASS; Chairman of Orthopaedics, Leids Universitair Medisch Centrum), Dr. John Bartlett (Executive Committee of APOSSM) and Dr. Suthorn Bavonratanavech (President Elect – International AO Foundation) to name a few. In addition, many Presidents of Asian Hip & Knee Associations will be participating at this meeting. We also offer the opportunity to directly ask questions and consult with these world-class experts during "An Evening With The Experts" program.

I am very proud of the quality and depth of the upcoming meeting. IHKS members and non-members should obtain practical, timely help for the their practice now and into the future. For those who strive to maintain expertise in arthroscopy and arthroplasty surgery, this meeting will not only meet but will exceed your expectation. Jakarta, Indonesia with its long historical background along with its entertainment, shopping, and dining paradise will make this a meeting enjoyable for all those who attend.
I look forward to seeing you in Jakarta.

Sincerely,
